Understanding case law in high-liability areas and performing the job within a legal framework places a criminal justice agency in the best position to defend against a lawsuit. This handbook addresses the problems confronting criminal justice practitioners and their agencies due to the ever-increasing number of civil liability lawsuits. It introduces the reader to civil liability generally and the federal law specifically, while indicating the steps that can be taken to minimize the risk of litigation. Civil Liability in Criminal Justice is one of very few texts on the subject that combines applicable case law and related liability research, a valuable feature for current and future policy makers and managers. Ross also provides an overview of current case law in high-liability areas, enhancing student knowledge and practitioner job performance.

The increasing litigation against criminal justice practitioners in the United States poses a significant problem for law enforcement and other personnel. Law enforcement and corrections professionals need to have a working knowledge of both criminal law and the civil law process to ensure that they are performing their duties within the limits of the law. Civil Liability in Criminal Justice, 7th Edition, provides valuable information and recommendations to current and future officers and correctional system employees, introducing them to civil liability and federal law, as well as recommending strategies that can be taken to minimize risks. Civil Liability in Criminal Justice is unique in its combination of applicable case law and related liability research, while still providing an overview of current case law in high-liability areas. This new edition, revised to include up-to-date United States Supreme Court cases, including liability trends on the use of force, arrest-related deaths, custodial suicides in detention, qualified immunity, and the outcomes of the Department of Justice and the application of Section 14141, additional context for liability issues, and extended coverage of collective bargaining and public perception, is a valuable resource for enhancing student knowledge and practitioner job performance. The text is suitable for undergraduate and graduate courses in Criminal Justice programs as well as for in-service and academy training. Ross offers an engaging, accessible introduction to this aspect of the US criminal justice system.

Samaha's CRIMINAL JUSTICE, Seventh Edition has retained its role as a leader in the introduction to criminal justice market. It offers a unique decision-making approach that engages students and promotes critical thinking while providing a thorough and engaging introduction to the field. This edition retains and enhances these strengths with such features as "Fact or Fiction?"-a new feature that gets students thinking about the major topics at the beginning of each chapter, "Make Your Decision"-a new multi-page section that concludes each chapter, and "Criminal Justice and Technology" -a new feature that highlights the impact of rapidly changing technology on the system. The new format includes a rich variety of full-color illustrations and photos that add to the engaging writing to hold students' interest. Also, the book features up-to-the-minute coverage of the hottest topics in the field, including the impact of world terrorism and rapidly changing technologies. This manageable 15-chapter text now includes separate chapters on the explanations of criminal behavior (Chapter 3), on trial and guilty pleas (Chapter 10) and on juvenile justice (Chapter 15).

CRIMINAL LAW AND PROCEDURE, 7th edition delivers extensive coverage of every aspect of the law and details the duties a paralegal is expected to perform when working within criminal law. High-level, comprehensive coverage is combined with cutting-edge developments, foundational concepts, and emerging trends, such as terrorism, treason, and national security crimes; cyber stalking; virtual child pornography; corporate crime, racial profiling, and more. Case excerpts help you develop your case analysis skills, while a variety of built-in learning aids sharpen your problem solving and analytical skills. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Introduction to Criminal Justice is the perfect text for students who are interested in pursuing a career in criminal justice and for those who simply want to learn more about the criminal justice system. The authors' combined experience of more than 50 years in teaching introduction to criminal justice as well as working in the field -- Bohm as a correctional officer and Haley as a police officer -- come through in their accessible yet comprehensive presentation. They make it easy for readers to understand that much of what the public "knows" about criminal justice in the United States is myth, and help students learn the truth about the U.S. criminal justice system.

For courses in comparative criminal justice systems, comparative criminology, and comparative government. Help readers gain a solid understanding of the diversity in legal systems around the world. *Comparative Criminal Justice Systems: A Topical Approach* is designed to effectively explain the complexities of justice systems around the world. Using an accessible, easy-to-understand comparative approach, it helps students recognize the growing importance of an international perspective. Key concepts are organized in a sequence that many students will already find familiar, progressing from issues concerned with criminal law to examinations of police, courts, and corrections. Students gain a realistic understanding of the many ways policing, adjudication, and corrections systems can be organized and operated. Unlike most competitive books, it covers more than 30 countries, offering insights into such issues as Islamic legal tradition and the Eastern Asia legal tradition. Learning Objectives utilize Bloom's taxonomy phrasing to ensure clarity, usefulness, and accessibility, and visually appealing images further add to the book's readability. The Seventh Edition updates statistics, changes in law, and modifications of procedures throughout; includes new and updated topic coverage; enhances and updates popular pedagogical features; and provides a number of important chapter modifications to ensure readers are getting the most useful information on this constantly growing field.

Unrivaled in its simplicity and skill-building pedagogy, Harr, Hess, Orthmann, and Kingsbury's text thoroughly explains the complexities of the U.S. Constitution and the criminal justice system. The text avoids legalese and is packed with real-world examples. Its pedagogical framework helps readers develop a solid understanding of key issues and concepts, and more than 200 plainly written, summarized cases introduce pertinent cases in a non-intimidating manner. The text devotes considerable time to the Fourth and Fifth Amendments, exploring their application to such issues as reasonable search and seizure, double jeopardy, and testifying against oneself. *CONSTITUTIONAL LAW AND THE CRIMINAL JUSTICE SYSTEM*, 7th Edition includes expanded discussions of the First and Second Amendments as well as cutting-edge coverage of immigration, terrorism and homeland security, electronic surveillance and the use of drones, use of force, and searches of cell phones and other digital evidence. What's more, the MindTap that accompanies this text helps students practice and master techniques and key concepts while engaging them with career-based decision-making scenarios, visual summaries, and more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Introducing the fundamentals of ethical theory, *Ethics in Criminal Justice: In Search of the Truth*, Seventh Edition, exposes the reader to the ways and means of making moral judgments by exploring the teachings of the great philosophers, sources of criminal justice ethics, and ethical issues in the criminal justice system. It is presented from two perspectives: a thematic perspective that addresses ethical principles common to all components of the discipline, and an area-specific perspective that addresses the state of ethics in criminal justice in the fields of policing, corrections, and probation and parole. The seventh edition features discussion of current critical issues in criminal justice: accusations of racism, police shootings, stop and frisk policy, marijuana laws, mass incarceration, life sentences, prison privatization, the swift and certain deterrence model of probation, excessive probation fees, and the Good Lives Model in corrections. The seventh edition also offers completely revised coverage of capital punishment and the rehabilitation debate, and a discussion of how juvenile justice often fails to live up to its ideals. Finally, the book features new case studies of recent ethical dilemmas in criminal justice to enhance students' understanding of real-life ethics decision-making. Suitable for advanced undergraduates or graduate students in criminal justice programs in the US and globally, this text offers a classical view of ethical decision-making and is well-grounded in specific case examples.
