in ways that foster discussion, questioning, and continued study. An appendix lists relevant primary and secondary works, including websites. An ideal supplement to primary texts taught in American literature courses.

Access Free American Literature Resource Manager Answer Key

This book explores how six American writers have artistically responded to the racialization of U.S. frostbelt cities in the twentieth century. Using the critical tools of spatial theory, critical race theory, urban history and sociology, Simpson explains how these writers imagine the subjective response to the race-making power of space.
