**Lavrentiy Beria** - Wikipedia

Lavrenty Beria, director of the Soviet secret police who played a major role in the purges of Joseph Stalin’s opponents. After Stalin’s death, Beria apparently attempted to succeed him as sole dictator, but he was defeated by a coalition led by Georgy Malenkov, Vyacheslav Molotov, and Nikita Khrushchev.

**Lavrenty Beria** | Biography, Facts, & Execution | Britannica

Beria served for many years as chief of the NKVD, Stalin’s much-feared secret police force, which carried out the terrifying purges of the 1930s, sending countless politicians, writers, scientists, peasants and ordinary citizens to jail cells, torture rooms and early graves.

The Beria-English Dictionary, though it does not use the Beria script, is full of culturally rich translations, such as dabara: a blister, especially on a camel’s back after a long day racing; dabo: the season between November and January, when the herds are dispersed toward pastures toward the northeast, the grain is beaten and stored, and ...

**Beria - Atlas of Endangered Alphabets**

Lavrenti Pavlovich Beria was a Georgian, like Stalin, who called him 'my Himmler'. Involved in revolutionary activities from his teens and head of the secret police in Georgia in his twenties, he supervised the ruthless 1930s purges in the region and arrived in Moscow in 1938 as deputy to Nikolai Yezhov, 'the blood-thirsty dwarf', head of the Soviet secret police.

**Lavrenti Beria Executed** | History Today

Lavrentiy Pavlovich Beria was certainly one of the most vicious and mysterious figures of Stalin’s era. He was born on March 29 (March 17 according to the Julian calendar), 1899, to a poor Megrel (an ethnic group of Georgians) family in the village of Merkheuli, Abkhazia.

**Lavrentiy Beria** - Spartacus Educational

This is the first comprehensive biography of Lavrentii Beria, Stalin's notorious police chief and for many years his most powerful lieutenant. Beria has long symbolized all the evils of Stalinism, haunting the public imagination both in the West and in the former Soviet Union. Yet because his political opponents expunged his name from public memory after his dramatic arrest and execution in 1953, little has been previously published about his long and tumultuous career.

This book is a memoir of the daily life of two men from Georgia--Stalin and Beria--who sent millions to their graves.

An in-depth study of the Communist leader focuses on the complexity of his character and his rise to power as Stalin's confidant and commander of the Russian secret police.

There are some figures in modern history who stand out not just for their amoral conduct but their cruelty. This book explores the life of the notorious Beria, Stalin’s henchman. The first part provides an outline of the turbulent history of Russia from 1900 to 1953, in order to set the background from which Beria emerged. The second section presents a biography of Beria from his youth, his early education, and his obsequious behaviour towards Stalin to his rise to be the head of the NKVD (KGB) and later to be amongst the most senior leaders of the Communist structure in the USSR. He was responsible for the deaths of millions (and for organising the Katy? massacre), infamous for murdering colleagues, and a sexual predator, and became the most feared man in the USSR next to Stalin. The third and fourth parts move away from history and biography to moral philosophy, in order to understand from where such evil conduct arises. The question of free-will is explored in the light of human insight, and these sections also discuss the most recent scientific claims concerning human behaviour, as well as the factors which influence people in decision making.

\*\*This article [examines] ... recent disclosures about Soviet decionmaking towards Germany in the period from Stalin’s death in March 1953 until Beria’s arrest in late June of that same year. Many historians and political scientists have wondered if there might have been a chance during this short period to reunify Germany more than thirty years before Gorbachev came to power“--Page 1.

Lavrentiy Pavlovich Beria (1899 - 1953) was a Georgian Soviet politician and state security administrator, chief of the Soviet security and secret police apparatus (NKVD) under Joseph Stalin during World War II, and Deputy Premier in the postwar years (1946-1953). Beria was the longest lived and most influential of Stalin’s secret police chiefs, wielding his most substantial influence during and after World War II.

Observations and reminiscences of the Soviet Union from the years 1945-54, by a Finnish prisoner of war at the Temnisky prison camp, one of Beria's gardens, and in Siberia.

**Lavrentiy Beria** - Spartacus Educational

Barely four months after the death of Stalin, Beria, the feared head of the MVD (predecessor of the KGB) was suddenly arrested in the Kremlin by Marshall Zhukov and ten armed soldiers acting in conjunction with N Khrushchev, G Malenkov, A Mikoyan and others. Immediately dozens of Beria's deputies were arrested or killed. Virtually all local and republic MVD heads were arrested. Within days a crucial and top-secret Plenum of the Central Committee CPSU convened. The significance of this meeting is considered impossible to overestimate in the history of the USSR. Besides examining the questions of Beria's antiparty and antigovernment activities, the meeting examined the critical issues in society at the time. This Plenum laid the groundwork for the path toward freedom from totalitarianism. Ahead lay the momentous 20th Party Congress, the denouncing of the Cult of Personality, the closings of prison camps and mass rehabilitations. This book offers the complete text of the secret transcripts of these meetings.

Khrushchev Lied: The Evidence That Every "Revelation" of Stalin's (and Beria's) "Crimes" in Nikita Khrushchev's Infamous "Secret Speech" to the 20th Party Congress of the Communist Party of the Soviet Union on February 25, 1956, is Provably False / Grover C. Furr; translations by Grover C. Furr
