~~About | Building Solutions~~

Precast Building Structures. Prefabricated buildings save time and labor on site. In select regions, we offer precast concrete building components, modular buildings for correctional facilities and data centers, as well as fully-outfitted structures for communications and utility equipment, mission-critical and security equipment, municipal buildings, and more.

~~Products — Building Solutions~~

Radiant barriers have become very popular with efficiency-minded builders in the recent years. This is largely due to the fact that when installed properly, a radiant barrier can reduce the impact of summer heat and yield tangible savings in cooling costs of a home—a persuasive selling point when addressing potential homeowners.
