"In the spring of 2031 terrorists detonate nuclear bombs in nine American and European cities. They are not the small ""suitcase" bombs intelligence agencies had anticipated, but large strategic weapons, smuggled to their targets on trucks and aboard ships. Millions die in the firestorms. In the months that follow, thousands more are lost to radiation sickness, starvation and the lawless gangs terrorizing the countryside. The global financial system collapses. The Chinese offer aid, but demand an impossible concession: the dissolution of the United States and creation of a new Sino-American continental state. They are refused. Can the U.S. hope to rebuild without aid? Its wounds are deep, the damage severe. The struggle continues, the days grind on, but the leaders know they are making almost no progress. In July they receive news so terrible that at first they cannot believe it. In five locations at once, Chinese troops are landing on American beaches. For the first time in over 200 years the United States is being invaded by a foreign power!"--Amazon blurb.

New York City was being systematically crippled by crimes committed in a very organized fashion. Communities and

neighborhoods were paralyzed with fear. Just when all hope seemed lost, the tide turned. Rumors spread about a group of renegade crime fighters with extraordinary powers. They called themselves, The Unbeatables. Henry Fleming (Strongman) was their leader. They were superhero pioneers. No flashy names. No dazzling uniforms. As a result of their heroic efforts, The Unbeatables introduced Genvars (Genetic Variations) to a skeptical world that up to that point considered the occasional grainy video footage of someone displaying abnormal powers to be nothing more than a hoax. Soon, more Genvars came out of hiding. But their assimilation into society was met with resistance and trepidation. Civil unrest was threatening the very foundation of the country. The government held controversial hearings to deal with the fear and unrest that was crippling the country. Genvars desperately needed a

leader to unite and represent them. They wanted Strongman. Through his own chronological narrative, Henry Fleming gives us an unabashed accounting of his extraordinary life. Whether it's the searing pain of a broken heart, the unapologetic dispensing of justice, or his lifelong search for the answer to the same question we each ask ourselves. Why Am I here? Sometimes it's not who we think we are that matters as much as who other people believe we are.

Only to discover a world where nobody cared about the veterans coming back from Nam. The aftermath and pain that came with it was draining. The lengthy battles with the VA to the constraints of money and resources. The battle between good and evil showdowns the ultimate test of faith. The battle is constantly fought throughout the entire book. This story is through the eyes of a young, battle weary soldier, adjusting

to civilian life. The horrors that came home with Jim were relentless. They also took a toll on his personal relationships and his family. With nowhere to turn for help and the VA's lack to acknowledge veteran issues, Jim turned to the Lord for help. His faith would be tested in the most crucial times of his life.

Throughout all the good and bad times, Jim never lost his faith. It is the biggest reason he conquered his demons and is here to share his story today. His story is one that is not here to glamourize his mistakes. What it is here for is to instill hope and faith in others who feel alone. To help those who have gone through the same pitfalls as he has. Others who feel like they have no place to turn for help. The same way he felt when he came back from Vietnam. It is here to give thanks to the many who helped him with his struggles along the way. It is here to give thanks to the Lord for all his
