CUSTER DIED FOR YOUR SINS ¶ 56 In 1947 the Senate Civil Service Committee held hearings on ways that government payrolls could be cut and expenditures reduced. The Republicans had captured Congress that autumn and they were looking for defenseless New Deal programs to trim. They found a natural in the Bureau of Indian Affairs.

CUSTER DIED - WordPress.com

August 21, 2010. Lt. Col. George A. Custer died on this hill on June 26, 1876. It's called Last Stand Hill and it's covered with small headstones marking where each person died. At the top of this photo is a line of trees which mark the Little Big Horn River. The second photo I took, with the black on it, shows where Custer fell.

General Custer's Last Stand: Officer reveals moment he ...

On June 25, 1876, while leading the 7th Cavalry Regiment at the Battle of the Little Bighorn in Montana Territory against a coalition of Native American tribes, he was killed along with all of the five companies he led after splitting the regiment into three battalions. This action became romanticized as "Custer's Last Stand".

million people, descendants of the fifteen million Native people who once inhabited this land. The centuries-long genocidal program of the US settler-colonial regimen has largely been omitted from history. Now, for the first time, acclaimed historian and activist Roxanne Dunbar-Ortiz offers a history of the United States told from the perspective of Indigenous peoples and reveals how Native Americans, for centuries, actively resisted expansion of the US empire. In *An Indigenous Peoples' History of the United States*, Dunbar-Ortiz adroitly challenges the founding myth of the United States and shows how policy against the Indigenous peoples was colonialist and designed to seize the territories of the original inhabitants, displacing or eliminating them. And as Dunbar-Ortiz reveals, this policy was praised in popular culture, through writers like James Fenimore Cooper and Walt Whitman, and in the highest offices of government and the military. Shockingly, as the genocidal policy reached its zenith under President Andrew Jackson, its ruthlessness was best articulated by US Army general Thomas S. Jesup, who, in 1836, wrote of the Seminoles: "The country can be rid of them only by exterminating them." Spanning more than four hundred years, this classic bottom-up peoples' history radically reframes US history and explodes the silences that have haunted our national narrative.

The author speaks for his people in this witty confutation of almost everything the white man "knows" about Native Americans.

Preacher Jesse Custer continues his dark journey to find God, accompanied by his gun-toting girlfriend and Irish vampire buddy. In the continuing saga of the bizarre adventures of faithless Texas preacher Jesse Custer, Jesse, along with his girlfriend Tulip and their friend Cassidy, the Irish vampire, head down South in hopes of recovering from their encounter with the forces of the Grail. But during their planned down time Jesse must face off against an enraged Arseface, who seeks to avenge his fathers death, while

Thomas H. Leforge was "born an Ohio American" and chose to "die a Crow Indian American." His association with his adopted tribe spanned some of the most eventful years of its history--from the Indian Wars to the reservation period?and as interpreter, agency employee, chief of Crow scouts for the 1876 campaign (he was with Terry at the Little Big Horn), bona fide Crow "wolf," and husband of a Crow woman, he was usually in the midst of the action. His story, first published in 1928, remains a remarkably accurate source of historical and ethnological information on this relatively little known tribe.

The 1960s were a period of radical cultural, social, and political upheaval in the United States and around the globe; yet in just three years, between 1969 and 1972, Village Voice "Scenes" columnist, WPLJ FM radio host, and cult figure Howard Smith got to the heart of it all by talking it out--both on and--off the record. As famous as those who passed through the airwaves, Smith encapsulated the end of an era through personal conversations and hard-hitting interviews with Mick Jagger, Frank Zappa, Andy Warhol, Buckminster Fuller, leaders of the feminist movement and the Gay Liberation Front, a NARC agent, John Lennon and Yoko Ono, and scores of other iconic and influential personalities, including musicians, artists, filmmakers, actors, writers, politicians, and social activists, from countercultural luminaries to everyday revolutionaries and everyone in between. The Smith Tapes transcribes, for the first time ever, sixty-one of those recorded sessions, from an archive of more than one hundred fifty reels unearthed after more than forty years. Edited by documentary film writer and director/producer Ezra Bookstein,

this book reveals the time capsule that Smith ingeniously captured, and contains raw and unscripted talks that take you right into the midst of a transformative cultural and musical explosion.

Here is Custer as seen by himself, his contemporaries, and leading scholars. Combining first-person narratives, essays, and photographs, this book provides a complete introduction to Custer's controversial personality and career and the evolution of the Custer myth.

In August 1862, nineteen-year-old Edward G. Granger joined the 5th Michigan Cavalry Regiment as a second lieutenant. On August 20, 1863, the newly promoted Brig. Gen. George Armstrong Custer appointed Granger as one of his aides, a position Granger would hold until his death in August 1864. Many of the forty-four letters the young lieutenant wrote home during those two years, introduced and annotated here by leading Custer scholar Sandy Barnard, provide a unique look into the words and actions of his legendary commander. At the same time, Granger's correspondence offers an intimate picture of life on the picket lines of the Army of the Potomac and a staff officer's experiences in the field. As Custer's aide-de-camp, Lieutenant Granger was in an ideal position to record the inner workings of the Michigan Brigade's command echelon. Riding at Custer's side, he could closely observe one of America's most celebrated and controversial military figures during the very days that cemented his fame. With a keen eye and occasional humor, Granger describes the brigade's operations, including numerous battles and skirmishes. His letters also show the evolution of the Army of the Potomac's Cavalry Corps from the laughingstock of the Eastern Theater to an increasingly potent, well-led force. By the time of Granger's death at the Battle of Crooked Run, he and his comrades were on the verge of wresting mounted supremacy from their Confederate opponents. Amply illustrated with maps and photographs, *An Aide to Custer* gives readers an

unprecedented view of the Civil War and one of its most important commanders, and unusual insight into the experience of a staff officer who served alongside him.

A fascinating look at Lakota lifeways and history through the voices of medicine men and White Hat's personal stories

Barack Obama delivers a tender, beautiful letter to his daughters in this powerful picture book illustrated by award-winner Loren Long that's made to be treasured! In this poignant letter to his daughters, Barack Obama has written a moving tribute to thirteen groundbreaking Americans and the ideals that have shaped our nation. From the artistry of Georgia O'Keeffe, to the courage of Jackie Robinson, to the patriotism of George Washington, Obama sees the traits of these heroes within his own children, and within all of America's children. Breathtaking, evocative illustrations by award-winning artist Loren Long at once capture the personalities and achievements of these great Americans and the innocence and promise of childhood. This beautiful book celebrates the characteristics that unite all Americans, from our nation's founders to generations to come. It is about the potential within each of us to pursue our dreams and forge our own paths. It is a treasure to cherish with your family forever.

¶Crook always maintained that, since his command occupied the field after the battle, he was not defeated at the Rosebud, and that if the battle had gone according to his orders, it would have resulted in a real triumph for his men. This view was also held by his superiors, although they called it a ¶barren victory.¶ His part in the campaign was to form a junction with the other advancing columns, combining with them in returning the infractious Sioux to their reservations. His immediate purpose was to find and destroy the village of Crazy Horse. He accomplished none of these objectives. Instead he retired from the scene, permitting the forces of Crazy

Horse to concentrate their strength against the troops to the north. From With Crook at the Rosebud The 1868 Treaty of Fort Laramie gave the Sioux and Cheyenne Indian tribes control over a wide region, covering Montana, Wyoming, Nebraska, and part of the Dakotas. But in the 1870s gold was discovered in the Black Hills, and white settlers invaded Indian territory in desperate search for the precious mineral. Clashes between miners and Indians erupted. After trying other means of settling the disputes, the U.S. government decreed that all Indians in the northwest should be living on reservations by January 1876. The Sioux and the Cheyenne refused to obey, so the Bureau of Indian Affairs called in the military to enforce the order. Brigadier General George Crook led the Big Horn and Yellowstone Expeditionary forces into southern Montana against rebellious Sioux. But Crazy Horse, leading a party of Sioux and Cheyenne, defeated a portion of Crook's command at Powder River in March 1876. In his chagrin and determination for revenge, Crook led his troops to the Rosebud canyon to destroy Crazy Horse's village. The two powerful forces, each numbering more than one thousand men, met at the Rosebud River on June 17. At the end of the fierce, day-long battle, Crook returned to his base nearly forty miles away, convinced that he had won. Time would prove, however, that the battle resulted in a stalemate. Crook's force was removed from the larger campaign and he was unable to come to Custer's aid at the Little Big Horn eight days later. Though the Battle of the Rosebud had a significant impact on the rest of the campaign against the Sioux, it has often been eclipsed by publicity surrounding the Battle of the Little Big Horn. It was not until 1956, when With Crook at the Rosebud was first published by Stackpole, that the first clear history of the battle emerged.
