Review Éclair: Pagi Terakhir di Rusia - Erika Putri Gustiana

Éclair, Pagi Terakhir di Rusia, merupakan salah satu karya dari Prisca Primasari. Buku yang bertema kan tentang persahabatan ini memberikan suatu kesan tersendiri bagi pembaca. Pada novel ini, si pengarang menuliskan tentang persahabatan lima orang, yang bernama, Katya, Sergei, Lhiver, Kay dan Stepanych.

Resensi Novel : Eclair - Pagi Terakhir di Rusia | Karya ...

Dalam Eclair; Pagi terakhir di Rusia, penulis mencoba menyandingkan tema persahabatan dengan misteri dan pertualangan detektif, tapi sayangnya, cerita malah terkesan dipaksakan. Terkadang keinginan penulis untuk memberikan efek dramatis malah membuat alur terasa tidak alami, bahkan menurut saya pemecahan

kasus terlalu mudah dan perseteruan dengan pengikut Rasputin menjadi bumbu cerita yang tanggung.

Kebakaran di sebuah panti jompo menewaskan sedikitnya 11 penghuninya di sebuah desa terpencil di republik Bashkortostan, Rusia. Insiden itu dilaporkan komite investigasi negara itu dalam sebuah pernyataan, Selasa (15/12). Para korban kebakaran di desa Ishbuldino itu dilaporkan berusia antara...

Kebakaran di Sebuah Panti Jompo di Rusia Tewaskan 11

Washington: Pemerintahan Amerika Serikat di bawah Presiden Donald Trump telah menginformasikan Kongres mengenai rencana penutupan dua konsulat terakhir Negeri Paman Sam di Rusia. Dalam sebuah surat tertanggal 10 Desember, Kementerian Luar Negeri AS berencana menutup konsulat di Vladivostok dan Yekaterinburg.

Pernahkah kita merasa sedih, saat apa yang kita miliki tiba-tiba diambil begitu saja oleh Allah: kekayaan yang kita jaga baik-baik ternyata lenyap hanya dalam hitungan detik? Anak yang kita rawat dengan penuh cinta dan kasih sayang pergi meninggalkan kita untuk selamanya? Pekerjaan yang kita impikan lepas dari genggamannya? Pasangan yang kita cintai dengan tulus tak lagi bersama kita? Begitulah hidup ini: selalu ada kesulitan dan kesusahan yang kita hadapi. Tapi percayalah, selalu ada banyak kemudahan dalam setiap kesulitan. Itulah janji Allah. Dengan kesusahan dan kesulitan itu, Allah ingin kita selalu dekat dengan-Nya, meski Ia lebih dekat daripada urat nadi kita sekalipun. Jangan pernah menjauh dari-Nya, tetaplah mendekat kepada-Nya. Bagaimana agar Allah senantiasa dekat? Buatlah Ia begitu spesial di hati kita. [Mizan, Mizania, Agama, Islam, Kehilangan, Kisah, Indonesia]

Mencintaimu bukanlah sesuatu yang kuharapkan terjadi. Aku tak ingin harapan datang lagi, berkunjung di hati, diam untuk beberapa waktu, lalu meninggalkanku dalam kesedihan berlipat-lipat. Aku tahu pasti ini kesalahan yang seharusnya tidak boleh terjadi. Tapi kau hanya memelukku, tanpa suara. Menggenggam tanganku erat seolah tak ingin melepaskannya lagi. Dan sebelum aku berhasil menyangkal cintamu lagi, aku menyadari kau meninggalkan sesuatu di tanganku. Sesuatu yang kukenali sebagai... harapan. Dan kali ini, aku ingin menggenggamnya, memilikinya sekalipun seandainya itu salah. * BEAUTIFUL MISTAKE adalah Gagas Duet, novella dari dua penulis kebanggaan GagasMedia: Prisca Primasari dan Sefryana Khairil. Keduanya masing-masing mempersembahkan cerita cinta tentang pentingnya sebuah kesempatan kedua bagi mimpi dan cita-cita. Biarkanlah cinta yang menunjukkan arah bagi hatimu. Sebelumnya, Prisca Primasari sudah pernah merilis Eclair: Pagi Terakhir di Rusia (2011), sedangkan karya-karya yang ditulis Sefryana Khairil antara lain adalah Dongeng Semusim (2009), Rindu (2010), dan Coming Home (2011). -GagasMedia-

New York Times bestselling author Sabrina Jeffries delights readers with the fourth Regency romance in her sexy Hellions of Halstead Hall series, featuring the dark and dangerous Lord Gabriel Sharpe. To

fulfill his grandmother's ultimatum, Lord Gabriel Sharpe pursues a spitfire he believes desperately needs him. Then the tables are turned... Like everything daredevil Gabe Sharpe does, wooing Virginia Waverly is a high-stakes game. Ever since her brother, Roger, died racing Lord Gabriel, Virginia has yearned to take her revenge on the reckless lord by beating him at his own sport. But when she challenges Lord Gabriel to a race, the hellion called the "Angel of Death" counters with a marriage proposal! Gabe knows Virginia is in dire financial straits—so why not marry her and solve both of their problems? She claims to be appalled by his proposal, but her response to his kisses says otherwise. And when the two of them begin to unravel the truth behind Roger's death, Gabe takes the greatest gamble of all, offering the courageous beauty something more precious than any inheritance: true love.

I wanted to say, "I would love to know your obsessions, Is it landed house, gadgets, power, domestic life, succulent plants, achievements, money, work, more likes and followers, health, validations, sex, organic food, pets, perfect selfies, children, sports, Religion & Spirituality, relationship, minimalism, perfection, muscles, urban toys, shoes, traveling, or fame?" but nobody is prepared for that kind of question on a first date. So I said, "You look great."

The English-language debut of Indonesia's rising star. The epic novel *Beauty Is a Wound* combines history, satire, family tragedy, legend, humor, and romance in a sweeping polyphony. The beautiful Indo prostitute Dewi Ayu and her four daughters are beset by incest, murder, bestiality, rape, insanity, monstrosity, and the often vengeful undead. Kurniawan's gleefully grotesque hyperbole functions as a scathing critique of his young nation's troubled past: the rapacious offhand greed of colonialism; the chaotic struggle for independence; the 1965 mass murders of perhaps a million "Communists," followed by three decades of Suharto's despotic rule. *Beauty Is a Wound* astonishes from its opening line: One afternoon on a weekend in May, Dewi Ayu rose from her grave after being dead for twenty-one years.... Drawing on local sources—folk tales and the all-night shadow puppet plays, with their bawdy wit and epic scope—and inspired by Melville and Gogol, Kurniawan's distinctive voice brings something luscious yet astringent to contemporary literature.

Encyclopedia of the Exquisite is a lifestyle guide for the Francophile and the Anglomaniac, the gourmet and the style maven, the armchair traveler and the art lover. It's an homage to the esoteric world of glamour that doesn't require much spending but makes us feel rich. Taking a cue from the exotic encyclopedias of the sixteenth century, which brimmed with mysterious artifacts, Jessica Kerwin Jenkins's *Encyclopedia of the Exquisite* focuses on the elegant, the rare, the commonplace, and the delightful. A compendium of style, it merges whimsy and practicality, traipsing through the fine arts and the worlds of fashion, food, travel, home, garden, and beauty. Each entry features several engaging anecdotes, illuminating the curious past of each enduring source of beauty. Subjects covered include the explosive history of champagne; the art of lounging on a divan; the emergence of "frillies," the first lacy, racy lingerie; the ancient uses of sweet-smelling saffron; the wild riot incited by the appearance of London's first top hat; Julia Child's tip for cooking the perfect omelet; the polarizing practice of wearing red lipstick during World War II; Louis XIV's fondness for the luscious Bartlett pear; the Indian origin of badminton; Parliament's 1650 attempt to suppress Europe's beauty mark fad; the evolution of the Japanese kimono; the pilgrimage of Central Park's Egyptian obelisk; and the fanciful thrill of dining alfresco. Cleverly illustrated, *Encyclopedia of the Exquisite* is an ode to life's plenty, from the extravagant to the eccentric. It is a celebration of luxury that doesn't necessarily require money. **BONUS MATERIAL:** This ebook edition includes an excerpt from Jessica Kerwin Jenkins's *All the Time in the World*.

Fyodor Mikhailovich Dostoyevsky (1821 - 1881), sometimes transliterated Dostoevsky, was a Russian novelist, short story writer, and essayist. Dostoyevsky's literary works explore human psychology in the troubled political, social and spiritual context of 19th-century Russia. This translation by Constance Garnett from the original Russian is widely regarded as a reference. Garnett translated seventy volumes of Russian prose for publication, including all of Dostoyevsky's novels. Dostoyevsky's works of fiction include 17 short stories, in this edition we present 7 stories, including two of his 2 most famous works "White Nights" and "Notes From the Underground": WHITE NIGHTS, NOTES FROM UNDERGROUND, A FAINT HEART, A CHRISTMAS TREE AND A WEDDING, POLZUNKOV, A LITTLE HERO and MR. PROHARTCHIN.

She's a free-spirited dreamer. He's a brilliant painter. But now their shared passion for art has turned into something deeper.... For as long as she can remember, Kugy has loved to write. Whimsical stories are her passion, along with letters full of secret longings that she folds into paper boats and sets out to sea. Now that she's older, she dreams of following her heart and becoming a true teller of tales, but she decides to get a "real job" instead and forget all about Keenan, the guy who makes her feel as if she's living in one of her own fairy tales. Sensitive and introverted, Keenan is an aspiring artist, but he feels pressured to pursue a more practical path. He's drawn to Kugy from first sight: she's unconventional, and the light radiating from her eyes and the warmth of her presence pull him in. They seem like a perfect match—both on and off the page—but revealing their secret feelings means risking their friendship and betraying the people they love most. Can they find the courage to admit their love for each other and chase their long-held dreams?

The study of environmental physics requires understanding topics from many different areas of physics as well as comprehension of physical aspects of the world around us. Several excellent textbooks are available covering most aspects of environmental physics and of applications of physics to the natural environment from various points of view. However, while teaching environmental physics to university students, I sorely missed a book specifically devoted to exercises for the environmental science student. Thus, the

motivation for this book came about as in physics, as well as in many other disciplines, satisfactory knowledge of a subject cannot be acquired without practice. Usually students are not familiar with the various areas of physics that are required to describe both the environment and the human impact upon it. At the same time, students need to develop skills in the manipulation of the ideas and concepts learned in class. Therefore, this exercise book is addressed to all levels of university students in environmental sciences. Because of the wide range of potential users this book contains both calculus-based and algebra-based problems ranging from very simple to advanced ones. Multiple solutions at different levels are presented for certain problems—the student who is just beginning to learn calculus will benefit from the comparison of the different methods of solution. The material is also useful for courses in atmospheric physics, environmental aspects of energy generation and transport, groundwater hydrology, soil physics, and ocean physics, and selected parts may even be used for basic undergraduate physics courses. This collection of exercises is based on courses taught at the University of Northern British Columbia and at the University of Victoria, Canada.
