Retells in graphic novel format the first Outlander novel from Jamie Fraser's point of view, revealing events never seen in the original story.

Retells the original Outlander novel from Jamie Fraser's point of view, revealing events never seen in the original story and giving readers a whole new insight into the Jamie-Claire relationship.

Diana Gabaldon's brilliant storytelling has captivated millions of readers in her bestselling and award-winning Outlander saga. Now, in her first-ever graphic novel, Gabaldon gives readers a fresh look at the events of the original Outlander: Jamie Fraser's side of the story, gorgeously rendered by artist Hoang Nguyen. After too long an absence, Jamie Fraser is coming home to Scotland—but not without great trepidation. Though his beloved godfather, Murtagh, promised Jamie's late parents he'd watch over their brash son, making good on that vow will be no easy task. There's already a fat bounty on the young exile's head, courtesy of Captain Black Jack Randall, the sadistic British officer who's crossed paths—and swords—with Jamie in the past. And in the court of the mighty MacKenzie clan, Jamie is a pawn in the power struggle between his uncles: aging chieftain Colum, who demands his nephew's loyalty—or his life—and Dougal, war chieftain of Clan MacKenzie, who'd sooner see Jamie put to the sword than anointed Colum's heir. And then there is Claire Randall—mysterious, beautiful, and strong-willed, who appears in Jamie's life to stir his compassion . . . and arouse his desire. But even as Jamie's heart draws him to Claire, Murtagh is certain she's been sent by the Old Ones, and Captain Randall accuses her of being a spy. Claire clearly has something to hide, though Jamie can't believe she could pose him any danger. Still, he knows she is torn between two choices—a life with him, and whatever it is that draws her thoughts so often elsewhere. Step into the captivating, passionate, and suspenseful world of The Exile, and experience the storytelling magic of Diana Gabaldon as never before.

Claire Randall is leading a double life. She has a husband in one century, and a lover in another... In 1945, Claire Randall, a former combat nurse, is back from the war and reunited with her husband on a second honeymoon—when she innocently touches a boulder in one of the ancient stone circles that dot the British Isles. Suddenly she is a Sassenach—an "outlander"—in a Scotland torn by war and raiding border clans in the year of our Lord...1743. Hurlled back in time by forces she cannot understand, Claire's destiny is soon inextricably intertwined with Clan MacKenzie and the forbidden Castle Leoch. She is catapulted without warning into the intrigues of lairds and spies that may threaten her life ...and shatter her heart. For here, James Fraser, a gallant young Scots warrior, shows her a passion so fierce and a love so absolute that Claire becomes a woman torn between fidelity and desire...and between two vastly different men in two irreconcilable lives.

From the beaches of Long Island, New York, to the glitter of Las Vegas, Nevada, to the majestic Pennsylvania Susquehanna Mountains to Staten Island, New York, the authors stories traveled with her. Peluso writes fiction and nonfiction often based upon her family life.

From the author of the breathtaking bestsellers Outlander and Dragonfly in Amber, the extraordinary saga continues. Their passionate encounter happened long ago by whatever measurement Claire Randall took. Two decades before, she had traveled back in time and into the arms of a gallant eighteenth-century Scot named Jamie Fraser. Then she returned to her own century to bear his child, believing him dead in the tragic battle of Culloden. Yet his memory has never lessened its hold on her... and her body still cries out for him in her dreams. Then Claire discovers that Jamie survived. Torn between returning to him and staying with their daughter in her own era, Claire must choose her destiny. And as time and space come full circle, she must find the courage to face the passion and pain awaiting her...the deadly intrigues raging in a divided Scotland... and the daring voyage into the dark unknown that can reunite—or forever doom—her timeless love.

In this original Outlander novella, Diana Gabaldon reveals what really happened to Roger MacKenzie Wakefield's parents. Orphaned during World War II, Roger believed that his mother died during the London Blitz, and that his father, an RAF pilot, was killed in combat. But in An Echo in the Bone, Roger discovers that this may not be the whole story. Now, in "A Leaf on the Wind of All Hallows," readers learn the truth. Praise for Diana Gabaldon's Outlander series "All you've come to expect from Gabaldon . . . adventure, history, romance, fantasy."—The Arizona Republic, on An Echo in the Bone "A grand adventure written on a canvas that probes the heart, weighs the soul and measures the human spirit across ten generations."—CNN, on The Fiery Cross "Escapist historical fiction at its best."—San Antonio Express-News, on Drums of Autumn "A feast for ravenous readers of eighteenth-century Scottish history, heroism and romance."—Kirkus Reviews, on Outlander

NEW YORK TIMES BESTSELLER • A young Jamie Fraser learns what it really means to become a man in this Outlander prequel novella. Featuring all the trademark suspense, adventure, and history of Diana Gabaldon's #1 bestselling novels and the Starz original series, Virgins is now available for the first time as a standalone ebook. Mourning the death of his father and gravely injured at the hands of the English, Jamie Fraser finds himself running with a band of mercenaries in the French countryside, where he reconnects with his old friend Ian Murray. Both are nursing wounds; both have good reason to stay out of Scotland; and both are still virgins, despite several opportunities to remedy that deplorable situation with ladies of easy virtue. But Jamie's love life becomes infinitely more complicated—and dangerous—when fate brings the young men into the service of Dr. Hasdi, a Jewish gentleman who hires them to escort two priceless treasures to Paris. One is an old Torah; the other is the doctor's beautiful granddaughter, Rebekah, destined for an arranged marriage. Both Jamie and Ian are instantly drawn to the bride-to-be—but they might be more cautious if they had any idea who they're truly dealing with. Praise for Diana Gabaldon's Outlander series "Marvelous and fantastic adventures, romance, sex . . . perfect escape reading."—San Francisco Chronicle, on Outlander "History comes deliciously alive on the page."—New York Daily News, on Outlander "Gabaldon is a born storyteller. . . . The pages practically turn themselves."—The Arizona Republic, on Dragonfly in Amber "Triumphant . . . Her use of historical detail and a truly adult love story confirm Gabaldon as

Outlander joins the adult coloring book craze! Featuring 45 original black-and-white illustrations from the series. A coloring book featuring original illustrations inspired by the sights and scenes of Diana Gabaldon's bestselling Outlander series.

A keepsake collection of Lord John Grey's shorter adventures and a spectacular addition to any Gabaldon fan's library, *Lord John and the Hand of Devils* brings three unique novellas together for the first time. *Lord John and the Hellfire Club* marks the first appearance of Lord John outside the Outlander novels. A young diplomat who had begged for Lord John's help is killed before he can explain his need. Witnessing the murder, Grey vows to avenge the young man, as the trail leads to the notorious Hellfire Club and the dark caves beneath Medmenham Abbey. In *Lord John and the Succubus*, Grey's assignment as liaison to a Hanoverian regiment in Germany finds him caught between two threats: the advancing French and Austrian army, and the menace of a mysterious “night-hag,” who spreads fear and death among the troops. Finally, in *Lord John and the Haunted Soldier*, Lord John is called to the Arsenal at Woolwich to answer a Royal Commission of Enquiry's questions regarding a cannon that exploded during the battle of Krefeld. Accusations ensue, and Lord John finds himself knee-deep in a morass of gunpowder, treason, and plot—haunted by a dead lieutenant, and followed by a man with no face.
