Nore Roberts didn't ask for a new life, but now that her mom is gone and her dad is newly married, she has to settle in at Shadow Grove, the old Civil War mansion her stepfamily calls home. When she meets her stepmother, Lisette, Nore is shocked by her youth and beauty that gives her chills- and a hint of something sinister. There's hope of becoming friends with her stepbrother and sister, until Nore realizes they're hiding something. When she begins to feel like the target of a deadly plan, Nore starts digging into her stepfamily's past. The skeletons in their closet are more real than she ever imagined. Can Nore expose her stepmother's dark secret before an old and evil magic swallows her up?

A soup-to-nuts introduction to small, economical sailing craft Trailer sailers--the smallest, most economical sailboats with sleeping accommodations--are a popular platform for learning the basics of sailing and are often considered to be the entry level to cruising under sail. Author Brian Gilbert shows how trailer sailers can be the ideal craft for a lifetime of enjoyment, including serious, long-distance cruising. This book covers all the bases, including how to inspect, buy, and equip a boat; how to trailer, sail, navigate, and cruise in small boats; how to use communications and navigation equipment; and more.

"Covers all 2.5-350 HP, 1-4 cylinder, V6 and V8 4-stroke models. Includes jet drives. Wiring diagrams."--Cover.
