Christianity is messy. Unanswered prayers. Painful choices. Unresolved regrets. We're called to have faith, and yet we doubt. We try to be perfect, but we fall short. This is the chaos. It's all around us. There's no limit to it. And there's no quick fix for it. Both annoyingly honest and refreshingly humorous, Messy reassures Christians that God can reveal Himself in their clutter. Author and pastor A.J. Swoboda offers biblical insight and vivid, personal stories to redefine faith from something that must be perfect to something that is imperfect, but can still give beauty, meaning, and purpose to a messy life. As entertaining as it is challenging, this book teaches Christians what it means to trust in each other, in grace, in hope, and in a Savior who defied the rules of

Women long for deep and lasting friendships but often find them challenging to make. The private angst they feel regarding friendship often translates into their own insecurity and isolation. Christine Hoover offers women a fresh, biblical vision for friendship that allows for the messiness of our lives and the realities of our schedules. She shows women - what's holding them back from developing satisfying friendships - how to make and deepen friendships - how to overcome insecurity, self-imposed isolation, and past hurts - how to embrace the people God has already placed in their lives as potential friends - and how to revel in the beauty and joy of everyday friendship With stories of real friendships and guidance drawn from Scripture, Hoover encourages women to

intentionally and purposefully invest in one of the most rewarding relationships God has given us.

Is there a way to walk faithfully through doubt and come out the other side with a deeper love for Jesus, the church, and its tradition? Can we question our faith without losing it? Award-winning author, pastor, and professor A. J. Swoboda has witnessed many young people wrestle with their core Christian beliefs. Too often, what begins as a set of critical and important questions turns to resentment and faith abandonment. Unfortunately, the church has largely ignored its task of serving people along their journey of questioning. The local church must walk alongside those who are deconstructing their faith and show them how to reconstruct it. Drawing on his own experience of deconstruction, Swoboda offers

tools to help emerging adults navigate their faith in a hostile landscape. Doubt is a part of our natural spiritual journey, says Swoboda, and deconstruction is a legitimate space to encounter the living God. After Doubt offers a hopeful, practical vision of spiritual formation for those in the process of faith deconstruction and those who serve them. Foreword by pastor and author John Mark Comer.

"A pastor with an unforgettable inside story shows evangelicals how to nurture healthy, respectful, and biblically informed relationships with people in the LGBT community"--

No one likes to eat alone; to approach a table filled with people, only to be told that despite the open chairs there isn't room for you.

The rejection stings. It leaves a mark. Yet this is exactly what the church has been saying to far too many people for far too long: "You're not welcome here. Find someplace else to sit." How can we extend unconditional welcome and acceptance in a world increasingly marked by bigotry, fear, and exclusion? Pastor John Pavlovitz invites readers to join him on the journey to find "or build" a church that is big enough for everyone. He speaks clearly into the heart of the issues the Christian community has been earnestly wrestling with: LGBT inclusion, gender equality, racial tensions, and global concerns. *A Bigger Table: Building Messy, Authentic, Hopeful Spiritual Community* asks if organized Christianity can find a new way of faithfully continuing the work Jesus began two thousand years ago, where everyone gets a seat. Pavlovitz shares moving personal stories and his careful

observations as a pastor to set the table for a new, more loving conversation on these and other important matters of faith. He invites us to build the bigger table Jesus imagined, practicing radical hospitality, total authenticity, messy diversity, and agenda-free community.

Through every turn of the biblical story, God's people are a wandering people. When they are rescued from slavery in Egypt, God sends them into the desert, where they wander for a generation. Jesus and his disciples wander from town to town. In fact, some of God's most important truths are imparted to people with dusty feet as they travel on the road. With his trademark thoughtful introspection, A. J. Swoboda boldly suggests that wandering is not an absence of faith but a central component of faith. In *The Dusty*

Ones, he leads the restless, the frustrated, and the curious on a spiritual journey to uncover the answers to questions like - Do I wander because I'm failing or because God has left me? - Is the desert something I can overcome? - Why is God sometimes "hidden" in the Bible? - What do I do when the end seems nowhere in sight? This compassionate and contemplative book offers hope and peace to Christians and seekers alike as they make their way down the winding road of faith.

need of His perfect love. In this liberating look at how God adores and transforms imperfect people, Bible teacher Lisa Harper weaves poignant stories of her own personal foibles with a fresh take on selected Psalms to reveal a loving Father who remains your greatest champion even when you don't feel anywhere close to holy. Join Lisa in discovering what happens when we stop trying to hide our inadequacies and doubts and instead trust God with our anger, frustrations, flaws, and regrets. As you accept God's loving invitation to exchange your junk for His joy, you'll find the imperfect pieces of your life shaped into a glorious pattern of divine grace.

enough I don't love God enough I'm not committed enough I'm not spiritual enough Then this book is for you. *Messy Spirituality* was written for the silent majority of us who have been convinced that we just don't do Christianity right. We spend most of our lives worried about what we don't do instead of what we have done, focused on our imperfections instead of God's fondness for the imperfect. Why? Because we've been bombarded with books, tapes, talks, seminars, and movies convincing us that real Christianity is all about perfection. Michael Yaconelli dares to suggest that imperfection, infiniteness, and messiness are, in fact, the earmarks of true Christianity; that real Christianity is messy, erratic, lopsided . . . and gloriously liberating. What if genuine faith begins with admitting we will never have our act completely together? Maybe messy disciples are exactly the kind of imperfect people Jesus came

to earth for and whose company he actually enjoyed--and still enjoys. If you want to find Jesus today, look for him in the midst of burned-out believers, moral misfits, religious incompetents . . . men and women whose lives are, well, messy. Messy Spirituality is a strong antidote for the spiritual perfectionism in us all. Here are truths that can cut you loose from the tyranny of ought-to's and open your eyes to the deep spirituality of being loved, shortcomings and all, by the God who meets you and transforms you in the midst of a messy and unpredictable life.

How would you describe your walk with God? Fresh and passionate? Vibrant and full of life? Stagnant? Nonexistent? No matter where you are on your walk, that's exactly where God promises to meet you--even if it's messy. Sharing his own story of

spiritual drifting, popular online pastor Rashawn Copeland encourages you to accept yourself as a glorious work in progress, a beloved child in whom God delights, a person on the brink of revival. Anchoring everything in Scripture, he shows you how to start your walk with God now, even in the midst of your mess. Even in the midst of addiction, doubt, depression, fear, and years spent running from God, he shows it is possible to - find God's love and acceptance - develop strong character - choose to rejoice - move out of your mess - see life through God's eyes - be a loving person in a hateful world - never settle for less than God's best - and more The change you long to see in the world starts in your own heart. Thankfully, that's exactly where God is waiting for you.
