a runaway success, outselling every European sports car model in the lucrative North American market. The 280Z arrived in 1975 followed by the 280ZX in 1978 and sales of the 280ZX had reached over 446,000 units by the time production came to an end in 1983. 44 international articles include road, track and comparison tests, a service guide plus full technical and performance data.

information. It is published every week, usually on Friday, with occasional releases of special or supplementary editions within the week.

Some 75 articles drawn from four Continents trace the progress of Datsun's highly competitive 240Z and 280Z coupes between 1970 and 1978. Included are road, track, comparison and long-term tests, new model introductions and updates together with full specifications and performance data. Also featured are articles on tuning and racing, plus advice is offered on acquiring a good pre-owned 240Z or 260Z.
