Building on Foundations of Grace, in which he traced the threads of the doctrines of grace through the biblical books, DR. Steven J. Lawson here begins a thorough survey of church history, conclusively demonstrating that the doctrines of grace are not an innovation from late in time, but the consistent teaching and belief of those who have led the church from its beginnings. Book jacket.

Understanding the doctrines of grace provides a clearer picture of Gods sovereignty, mercy, and majesty. From the lawgiver Moses to the Apostle John, and from the early church fathers to modern defenders of the faith, there has marched onto the stage of human history a long line of godly men, a triumphant parade of spiritual stalwarts who have upheld the doctrines of grace. In this book, Dr. Steven J. Lawson takes readers on a heart-stirring survey of the Scriptures and their teaching on Gods way of salvation. Lawson demonstrates that far from being a sixteenth century invention, the doctrines of grace are the clear teaching of the Bible in its entirety. From Genesis to Revelation, the Scriptures declare the message of Gods sovereign grace in salvation.

Is your congregation starving? There's a spiritual famine in the land—a shortage of faithful preaching leaving those in the pews dangerously undernourished. We need people today who will preach like the prophets and apostles did, proclaiming the word of God with courage and conviction. Famine in the Land, a compilation and adaptation of four powerful journal articles by Steven Lawson, makes a biblically-grounded argument for the desperate importance of expository preaching. Whether you preach to 3,000 or 30 this book will embolden you to: revere the glorious, painful, historical call of preaching dig deep in your study of God's word speak and live with uncompromising conviction This is an indispensable resource for any church leader who wants to see lives changed through preaching.

Explores a major cultural shift embodied in hundreds of early New England crime publications. Tracing the declining authority of Puritan ministers, this work probes the forgotten origins of our modern mass media's pre-occupation with crime and punishment.

This book is a history, an album, and a collection of the choicest sermons and essays. It is a history of our great leaders who have fought hard and long for Bible principles and doctrines, and by their consecrated, and, in some instances, heroic lives, have shown themselves to be worthy of the title: Pillars of Orthodoxy. The arrangement of the book is such that the reader can study separately the lives of each of these great men and read the specimen sermon or essay without reference to any of the others. Each life sketch is complete in itself, and no one

chapter is dependent on another. The life sketch of Richard Fuller, and his great sermon on the "Desire of All Nations," for instance, is a complete chapter to itself, without reference to anything else in the book. This feature enables the busy reader to read a chapter at a time, and there is nothing lost by the long intervals between his opportunities to read. In a book where one chapter is directly connected with another, much is lost by failing to read straight through. The last chapter can be read first in this book and nothing will be lost by it. It is always a pleasure to look into the face of a great man. There is something elevating about it. The pictures of these men, "who seem to be pillars" (Galatians 2:9), are the very best that can be obtained. The reader, therefore, while he studies the life, may look into the faces of these men who have made so much glorious history. By that means these pillars of orthodoxy will seem to be old friends, and it will make their life work seem more real. It can be safely assumed that the sermons and essays, published as specimens in this book, are the best that have ever been published. Some of them are published here for the first time, while others have been published and have become famous. It is a pleasure to present to the public a volume containing the very cream of the best thought from the strongest men in the Baptist denomination.

It's the most important question we can ask: Who is God? The wrong answer could spell our doom, but God has clearly revealed Himself and His majesty in His Word. Just as Moses asked the Lord on the summit of Sinai, we can approach God's Word with the ultimate request: "Show me Your glory." In *Show Me Your Glory: Understanding the Majestic Splendor of God*, Dr. Steven Lawson takes us to the mountaintop of divine revelation by distilling the Bible's teaching about God Himself. Each chapter delves into the depths of God's awesome attributes, teaching that a deeper knowledge of our Creator can lead us into intimate fellowship with and reverent worship of the One who made us for Himself.

Jonathan Edwards is well known as perhaps the greatest theologian the United States has ever produced. He is equally noted for his preaching and writing. But in this Long Line Profile, Dr. Steven J. Lawson considers the unique focus and commitment with which Edwards sought to live out the Christian faith. Lawson examines Edwards' life through the lens of the seventy resolutions he penned in his late teens, shortly after his conversion, which cover everything from glorifying God to repenting of sin to managing time. Drawing on Edwards' writings, as well as scholarly accounts of Edwards' life and thought, Lawson shows how Edwards sought to live out these lofty goals he set for the management of his walk with Christ. In Edwards' example, he finds helpful instruction for all believers.

In a day when the church greatly needed to hear the truth, Luther's pulpit became one of the most clarion sounding boards for God's Word this world has ever witnessed. Steven J. Lawson shows the convictions and practices that fed Luther's pulpit boldness, providing an example for all preachers in a day when truth once more is in decline. --from publisher description.

Charles Spurgeon, the great Baptist preacher of nineteenth-century London, is remembered today as "the prince of preachers." However, the strength of Spurgeon's ministry went far beyond simple rhetorical skill. In *The Gospel Focus of Charles Spurgeon*, new from Reformation Trust Publishing, author Steven J. Lawson shows that Spurgeon fearlessly taught the doctrines of grace and tirelessly held forth the free offer of salvation in Jesus Christ. In thirty-eight years as pastor of the congregation meeting at the New Park Street Chapel and later the

Metropolitan Tabernacle, Spurgeon propounded Calvinistic theology with precision and clarity. Yet he always accompanied it with a passionate plea for sinners to come to Christ and be saved. Lawson traces these twin points of emphasis throughout Spurgeon's long, fruitful ministry, showing also that he preached Christ crucified without apology and looked to the Holy Spirit for success in all his endeavors.

In *The Expository Genius of John Calvin*, Dr. Steven J. Lawson delves into the practices, commitments, and techniques that made John Calvin, the great Reformer of the sixteenth century, such an effective preacher during his long pastorate at Saint Pierre Cathedral in Geneva, Switzerland. Dr. Lawson identifies thirty-two distinctives of Calvin's preaching, providing comments from Calvin's writings, quotations from Reformation scholars, and examples from Calvin's own sermons to reinforce his points. In the end, Dr. Lawson finds in Calvin a strong model for expository preaching and calls on modern pastors to follow the Reformers' example.
