First, dictators face threats from the masses over which they rule - this is the problem of authoritarian control. A second, separate challenge arises from the elites with whom dictators rule - this is the problem of authoritarian power-sharing.

The Politics of Authoritarian Rule by Milan W. Svolik

This article proposes that, in order to provide political scientists with better tools to distinguish between contemporary threats to democracy and interpretations imbued by left-liberal prejudice, authoritarianism studies must be reoriented towards studying authoritarian as well as illiberal practices rather than the fairness of national elections alone. The article defines and illustrates such practices, which exist in authoritarian, democratic and transnational contexts.
