One of the most popular forms of business ownership, a limited liability company offers all the protection of a corporation with all the favorable tax treatment of a partnership. With it, you can keep your home and other personal assets safe from creditors while not being doubly taxed by the IRS. It is truly the best choice for many new small businesses. Double Asset Protection: Discover how an LLC can provide not one, but two layers of protection against liability and credit issues. Advantages and Disadvantages: Make sure that you are fully informed so that the way you establish your business best fits your needs. Quick Guides: Verify that you are meeting your goals, saving time and maximizing your profits with tools such as a checklist for forming an LLC and tips for running your LLC. State-Specific Information: Complete the process and make any necessary adjustments based on your state's laws with hand state-by-state statutes and securities offices resource guides. Ready-to-Use Forms: Find everything your need to form, operate and succeed with your LLC, including all forms on CD-ROM (with step-by-step instructions and samples in the text) for professional-looking documents that you can modify for your particular needs.

Providing treatment of landlord and tenant matters, this book covers both commercial and residential issues. The reader is informed with the changing complexities of legislation and case law in this area. The coverage of cases and legislation is complemented by practical advice on issues facing practitioners in their daily work

Every year thousands of new businesses are registered throughout the country.

Become a savvy entrepreneur with your own LLC Limited Liability Companies For Dummies, 3rd Edition offers a clear, concise guide that explains the pros and cons of LLCs, and shares insider tips on everything from choosing your members and your company name to creating and filing your Articles of Organization and managing day-to-day operations. You'll find the most current, real-world advice on customizing an LLC for your specific business needs, creating a great operating agreement, keeping accurate records, and new information on federal regulations and fees that are applicable to LLCs, as well as a link to online tools, forms, and documents Most of the previous drawbacks to forming an LLC have all but disappeared with the IRS having loosened restrictions and individual states following suit. Because LLCs are now more flexible, they remain an attractive option for those launching a new business or reorganizing an existing business. This book shows how to form and tap into the power of an LLC: Keep up on the latest information on federal taxes, regulations, and fees Discover the advances in technology, including online tools that streamline the processes Get up-to-the minute documents and forms on new filing requirements Learn how to set-up a real estate LLC or an LLC among family members This hands-on guide addresses everything you need to know about LLCs, and will help you organize, launch, and run your business as a limited liability company just like the experts do! Limited Liability Companies For Dummies, 3rd Edition (9781119602187) was previously published as Limited Liability Companies For Dummies, 3rd Edition (9781118852989). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product.
