Motojournalist Peter Jones tells all in *The Bad Editor*, *Collected Columns* and *Untold Tales of Bad Behavior*. This 250-page book reveals the inside story of a motojournalist's life inside the USA motorcycle industry. The book was created to be irreverent entertainment for motorcycle enthusiasts, not to even scores, vent anger, or be hard-hitting muckraking journalism. In this book, no names are mentioned, brands identified, or world problems solved. The 30 *Collected Columns* in this volume first appeared, in slightly different forms, in *SportRider Magazine*, *American Roadracing Magazine*, *Motorcycle Street & Strip*, *Speed.com*, and *Motorcyclist*. The 19 *Untold Tales of Bad Behavior* are original to this book. This is the first published collection of moto-writings by Peter Jones, a familiar voice to many motorcycle enthusiasts due to his 20-plus years of motorcycle reviews, columns and lifestyle editorials in numerous periodicals. Jones is known to be a dubious writer who chooses his friends poorly and who has failed to be a positive ambassador for motorcycling.

Describes the most extreme types of motorcycle races and events, including MotoGP, motocross, land speed racing, ice speedway, and top-fuel motorcycle drag racing.
