Enjoy Margery Allingham at her witty best as she spins delicious tales of high-risk heists and domestic deceptions in this exquisite short story collection. Reviews 'A perfectly splendid collection of short stories, richly imbred with that unique flavour Miss Allingham distilled so well' - H. R. F. Keating 'Margery Allingham stands out like a shining light. And she has another quality, not usually associated with crime stories, elegance.' - Agatha Christie 'My very favourite of the four Queens of Crime is Allingham.' - J. K. Rowling

A baker's dozen of stories in which Mr Albert Campion, the gentle detective, relieves friends and acquaintances from inconveniences of assault, blackmail, confidence tricks and the like. At the close of one short, sharp case of espionage, Superintendent Oates remarks, 'Campion, you frightened me. Something looks after you'. He's right - and it is generally the young detective's legion of disreputable friends.

Lord Peter Wimsey and Harriet Vane investigate a dead body on the beach in this " nearly perfect detective story " by the author of Busman ' s Honeymoon (Saturday Review). Harriet Vane has gone on vacation to forget her recent murder trial and, more importantly, to forget the man who cleared her name—the dapper, handsome, and maddening Lord Peter Wimsey. She is alone on a beach when she spies a man lying on a rock, surf lapping at his ankles. She tries to wake him, but he doesn ' t budge. His throat has been cut, and his blood has drained out onto the sand. As the tide inches forward, Harriet makes what observations she can and photographs the scene. Finally, she goes for the police, but by the time they return the body has gone. Only one person can help her discover how the poor man died at the beach: Lord Peter, the amateur sleuth who won her freedom and her heart in one fell swoop. Have His Carcase is the 8th book in the Lord Peter Wimsey Mysteries, but you may enjoy the series by reading the books in any order. This ebook features an illustrated biography of Dorothy L. Sayers including rare images from the Marion E. Wade Center at Wheaton College.

A corpse in a department store window offers a gruesome puzzle for Ellery Queen The windows of French ' s department store are one of New York ' s great attractions. Year-round, their displays show off the finest in fashion, art, and home d é cor, and tourists and locals alike make a point of stopping to see what ' s on offer. One afternoon, as the board debates a merger upstairs, a salesgirl begins a demonstration in one of the windows, showing off French ' s new Murphy bed. A crowd gathers to watch the bed lower from the wall after a single touch of a button. But as the bed opens, people run screaming. Out tumbles a woman—crumpled, bloody, and dead. The victim was Mrs. French, wife of the company president, and finding her killer will turn this esteemed store upside down. Only one detective has the soft touch necessary—debonair intellectual Ellery Queen. As Queen and his police inspector father dig into French ' s secrets, they find their killer is more serious than any window shopper.

This early work by S. S. Van Dine was originally published in 1928 and we are now republishing it with a brand new introduction. 'The Greene Murder Case' is one of Van Dine's novels of crime and mystery. S. S. Van Dine was born Willard Huntington Wright in Charlottesville, Virginia in 1888. He attended St. Vincent College, Pomona College and Harvard University, but failed to graduate, leaving to cultivate contacts he had made in the literary world. At the age of twenty-one, Wright began his professional writing career as literary editor of the Los Angeles Times. In 1926, Wright published his first S. S. Van Dine novel, The Benson Murder Case. Wright went on to write eleven more mysteries. The first few books about his upper-class amateur sleuth, Philo Vance, were so popular that Wright became wealthy for the first time in his life. His later books declined in popularity as the reading public's tastes in mystery fiction changed, but during the late twenties and early thirties his work was very successful.
