Policy. The University offers its faculty and staff members the option of retiring completely or [phasing] into retirement by various combinations of partial appointments and for eligible professional staff, a partial furlough.

Retirement | Standard Practice Guides - University of Michigan
A common university practice is to report non-productive time in half-day increments, based upon an employee being absent for the majority of their half-day. Units may also establish alternate approaches for reporting non-productive time (i.e., one-hour increments), as long as the practice is applied consistently across the whole organization.
